PRESS RELEASE

Douglas W. Baker Joins Silversage Advisors
February 2013
Irvine, CA | Seal Beach, CA

Douglas W. Baker has joined Silversage Advisors as Managing Principal.

In February 2013, Doug Baker joined Silversage Advisors, along with his Seal Beach team of Cynthia Terrazas and Leah Terrazas. Jeff Garell, Daniel Sands and Doug Baker have enjoyed a long relationship dating back over two decades that began as peers while with Associated Securities Corp.

In 2006 Doug, Jeff and Dan were part of a group that moved their broker/dealer affiliation from Associated to Geneos Wealth Management, Inc. Thus began a deeper collaboration between the two offices around investment management and financial planning. Doug and his staff maintain daily operations from our Seal Beach office.

Doug is a CERTIFIED FINANCIAL PLANNER™ professional and talented money manager with an emphasis on capital preservation and the prudent pursuit of reasonable returns. He started his practice in 1980 focusing on a high level of client service and transitioned to a fee-based investment management practice in 1989. He is proud of his long-term client relationships and the positive impact he has had for his clients.

Silversage Advisors® is an SEC Registered Investment Advisor serving individuals and companies throughout the United States.
